

MAKE YOUR IMPACT!

Since 1997, United Way has been bringing neighbors together to improve lives on "Community Care Day." This volunteer event symbolizes the true spirit of Union County as participants help elderly residents do spring cleaning projects around the house, landscape area parks, conduct food drives, and more.

Last year, 540 volunteers from 78 area workplaces and organizations worked on 260 social service projects on a single day. They painted, washed windows, weeded gardens, conducted pantry drives, landscaped parks, and more. But more importantly, they put smiles on the faces of their neighbors and good feelings in their hearts.

"I'm on cloud nine. Those kids were so much fun. I had a blast with them. You know, Care Day happened to be my birthday. And they laughed and sang with me. And even though it rained, they washed the dirtiest part of my windows."

— Margaret McKitrick, Marysville resident

List the names and contact information of all volunteers from your group. We will be contacting all volunteers prior to Care Day. Also, if your group of five or more would like to work together on a project, please let us know in advance so that we may coordinate a project for you. Otherwise, volunteers will choose projects in smaller groups of two or three. United Way provides general supplies needed to complete most projects, such as cleaning agents, rags, trash bags, gloves, paint, brushes, etc. Some projects may require use of tools we cannot provide, such as ladders, hedge trimmers, carpet cleaners, screwdrivers, hammers, squeegees, etc. These may be provided by the residents or the facility you are helping, though in some instances the use of personal tools may be needed to complete the projects. Volunteers pick projects they feel comfortable working on and will be able to view job descriptions, locations, and necessary supplies/tools prior to signing up for a job—and typically before Care Day itself. Please provide cell phone numbers so that we can be in contact with you on Community Care Day should a need arise. Plan to join us at St. John's Lutheran School (12809 St. Rt. 736, Marysville) at 7:45 a.m.
