United Way  
of Union County

# OUR MISSION

BRINGING NEIGHBORS AND RESOURCES  
TOGETHER TO IMPROVE LIVES IN UNION COUNTY.

A donation doesn't make you simply a donor to us—it makes you one of our supporters, one of our neighbors who is helping us achieve our mission. Because with that one gift, you're supporting six area pantries, four senior centers, two shelters, an after-school youth center, a homeless prevention program, rent and utility assistance, disaster relief, prescription medication, hospice care, cancer support, youth activities, and more.

# YEAR-IN-REVIEW

## WHAT YOU HELPED US DO!

### NEW CAMPAIGN KICK-OFF EXPERIENCE ADDED TO LINE-UP, POSITIVE EXPERIENCE FOR ALL INVOLVED

As part of our Kick-Off for the 2015-16 Campaign, our Campaign Committee put together our first annual Bus Tour—taking Workplace Champions on a tour of our Partner Agencies! We were able to visit 4 agencies, have the opportunity to tour each agency as well as hear from the agency

team on the work that they do in our community. To round out the day, we also had additional agencies join us as we traveled on the bus—in total we were able to have 16 agencies speak of their story.

“What a fabulous opportunity to learn,” said Ben Vollrath, Campaign Chairperson and Bus Tour participant. “Many of the folks on the bus felt like this was an excellent way to learn more about United Way and our Partner Agencies. And, the bonus was that we can take this knowledge back to our workplaces to share with our United Way supporters!”

Stay tuned for more information on this year’s Bus Tour!

### UNION COUNTY RESIDENTS GETTING CONNECTED WITH RESOURCES VIA THE 2-1-1 HOTLINE

A funded program of the United Way of Union County, 2-1-1 Hotline is the 24-hour, 7-day a week supported by various county partners. Last year the 2-1-1 hotline received 541 calls from Union County residents, with 654 referrals made by Helpline staff. The top three needs for which callers were seeking help included financial assistance, housing issues, and medical needs.

“It is this emergency response function the Union County Health Department is most excited to see in Union County,” said Jason Orcena, Union County Health Commissioner. “Agencies like the health department can feed critical information about emergency response to the call center so that they can help us get lifesaving information to the public.”

Helpline of Delaware and Morrow Counties staffs the hotline, maintains a database of available services, and updates a website at [www.unioncounty211.org](http://www.unioncounty211.org).

### WE CELEBRATE 25 YEAR ANNIVERSARY, NEW TEAM MEMBERS & NEW LOCATION

Last year was a time of change, but all positive changes! 2015 marked the year of celebration for Executive Director Shari Marsh—she was celebrated for her 25 years with the organization. Several new team members joined our LIVE UNITED Team—we welcomed Robin Coffey as our new Campaign and Publicity Coordinator. Robin came to us with a wide variety of experience, talent and passion for helping others. In addition, we were happy to bring aboard Sheila Passwaters as our new

part-time Office Assistant. She quickly became an MVP as she assisted the representatives from Holbrook & Manter, CPAs, with the 2014 audit. In November, we hired a new Event Coordinator, Connie Nickle, who will be coordinating our LIVE UNITED Events, and adding her extensive expertise and flavor to our line-up.

Finally, our office relocated to a more accessible location. We moved to the Quantum Commerce Building located at 648 Clymer Road, Suite 120.

### NON-PROFIT TRAININGS CONTINUE TO GROW

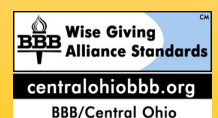

We completed three free training opportunities for United Way Partner Agencies and other non-profits that serve Union County residents.

Topics included Insurance Requirements, Fraud Prevention and Board Fundamentals.

### MAKING THE GRADE

United Way of Union County meets all membership requirements set forth by United Way Worldwide. We also continue to meet all 20 Standards of Charitable Accountability established by the Better Business Bureau.

81 cents of every dollar donated goes directly to programming, well exceeding the BBB standard of 65 cents or more.
