

WILL YOU JOIN US TO MEET GROWING NEEDS IN OUR GROWING COMMUNITY?

Local Dollars. Local Solutions.

26 Partner Agencies.
Serving Union County Residents

Our mission at the United Way is to bring neighbors and resources together to improve lives in Union County. We are now the fastest growing county in Ohio, and our residents reach out for help daily to more than 40 programs supported by United Way.

Our 2017 campaign goal is \$1.1 million. Achieving this goal will enable us to meet the growing funding requests of partner agencies. Without this funding, we will be unable to fully support valuable local programs. Your contributions:

- provide food, housing, budgeting, and job assistance;
- provide educational & social activities for youth and seniors;
- provide medical aid and help fight against the drug epidemic.

We Need Your Help! Please join us to meet the growing needs of our growing community!
